End of School Year 2009-2010

THE TIME HAS COME TO CLOSE OUT THIS AMAZING SCHOOL YEAR AND TO SHARE A FEW WORDS OF...

⚙️ CONGRATULATIONS... To KAITLYN PLOGGER, Class of 2011, the recipient of this year's Kristin Eucker Memorial Scholarship! You are most deserving of this recognition and we wish you a wonderful senior year!

⚙️ THANKS... To our members, volunteers, parents, coaches, athletes, supporters and everyone who made a contribution to the success of The BOOSTERS CLUB this school year. We appreciate everyone's efforts and hope you'll spend some time over the summer thinking about how you can play an even larger role in our plans and activities for next school year.

⚙️ SINCERE APPRECIATION... To our outgoing officers, Kevin Kreuz, Mary Bole, Jo Capasso and Jennifer Kasper for their tireless dedication to making the athletic programs at SJA the best they can be. Under their leadership, BOOSTERS has raised more money, recorded more members (thank you, Joan Heffernan), promoted/communicated our Jaguar message in more ways and more often (thank you, Laura Polk) and increased attendance at meetings every year.

BOOSTERS Club is a parent-driven organization and these committed volunteer leaders worked so very hard to improve and grow SJA's biggest "team" and take it to a next level for our school and our daughters. We owe them a huge debt of gratitude and our commitment to continue their efforts and keep the momentum going! Thanks to all of you for a great run!

⚙️ AND CHALLENGE... To all those who love JAGUAR sports! Decide today what position you will play on the BOOSTERS Team in 2010-11! We are only as successful as our members help to make us!

To learn more about BOOSTERS, please contact incoming Vice President, TERRI COSTANZO, at 440-582-6116, today! Watch for updates and news soon! Plan to get involved and help make it another great year in JAGUAR Country! Til then – enjoy a wonderful and safe summer!
