<p>BUICK ACHIEVERS SCHOLARSHIP PROGRAM</p>	<p><i>Scholarships up to \$100,000 available</i></p> <p>You are making a difference. In your classroom and in your community. If you have the passion to succeed—especially in fields of study important to the automotive and related industries—the Buick Achievers Scholarship Program is looking for you. This year, we will award <i>1,100</i> scholarships, including 100 renewable scholarships of up to <i>\$25,000</i> per year.</p> <p><i>1,100 students</i> from around the country became Buick Achievers in 2011. These exceptional individuals were rewarded with more than <i>\$4.2 million</i> in total scholarship funds. Learn about five of last year's scholarship recipients and their achievements as students, leaders, and volunteers.</p> <p>APPLICATION DEADLINE: February 29, 2012 We encourage the following to apply:</p> <ul style="list-style-type: none"> • High school seniors and current undergraduates

- Those who plan to enroll full time at a four-year college or university in 2012/2013
- Those who plan to major in a field of study that focuses on engineering, technology, design or business, with an interest in the automotive industry

Eligibility

Applicants to the Buick Achievers Scholarship Program must:

- Be high school seniors, high school graduates, or current postsecondary undergraduate students.
- Plan to enroll in full-time undergraduate study at a U.S. based accredited four-year college or university for the entire 2012-13 academic year. Proprietary and online schools are not eligible.
- Plan to major in a course of study that focuses on Engineering/Technology or select Design and Business related programs of study. See the [list of eligible majors](#).
- Demonstrate an interest in pursuing a career in the automotive or related industries using these areas of study.
- Be U.S. citizens and have permanent residence in the United States

Excluded from consideration are employees and relatives of employees of Scholarship Management Services, Scholarship America and their affiliates and subcontractors, and GM Foundation Directors, Officers, and staff and their relatives. Relatives of General Motors employees are eligible.

Award Criteria

Scholarship recipients are selected based on the following factors:

1. Academic achievement
2. Financial need
3. Participation and leadership in community and school activities, work experience and interest in pursuing a career in the automotive or related industry
4. Please note special consideration will be given to the following applicants: first-generation college, female, minority, military veteran or a dependent of military personnel.

The majority of the scholarships will be awarded to students majoring in Engineering/Technology Fields.

Selection of recipients is made by Scholarship Management Services.

All scholarship recipients may be subject to a criminal background check. Recipients of a Buick Achievers Scholarship shall not commit any act that indicates dishonesty or moral turpitude or that otherwise could materially injure the General Motors Foundation, Buick or General Motors Company's reputation. If such an act is committed by a Buick Achievers Scholarship Program recipient, the Buick Achievers Scholarship award shall immediately be revoked. In no instance will any Director or Officer of the General Motors Foundation or any employee of General Motors play a part in the selection. All applicants agree to accept the decision as final.

Award Amounts

Recipients will be awarded one scholarship at either of the two award levels:

- **100 Buick Achievers National Scholarships** of up to \$25,000 per year, available for four years, and one additional year for those entering a five-year engineering program. The scholarships can be used toward the total cost of tuition, fees, books, supplies, required equipment, room and board and other allowable expenses, less other gift aid known at the time of application (scholarships, grants and other awards that do not have to be paid back).
- **1,000 Buick Achievers Scholarships** of \$2,000. These awards are not renewable; however, recipients may reapply to the program each year eligibility requirements are met.

The awards for National Achievers are renewable for the given years noted above or until a bachelor's degree is earned, whichever occurs first. Renewal is contingent upon maintaining a cumulative 3.0 grade point average (on a 4.0 scale), full-time enrollment and continuing to major in an eligible field of study.

Awards are for undergraduate study only.

Application Procedure

Website Technical Requirements: For optimal performance this site should be viewed using a current browser with JavaScript and cookies enabled. Examples of current browsers are the latest versions of [Firefox](#), [Internet Explorer](#) and [Safari](#). All are available as free downloads.

All correspondence throughout the application process is via email. If you do not have an email address you wish to share, you may register an address with a free service such as [Yahoo! Mail](#) or [Hotmail](#) for the purposes of this application.

Be sure to add *buickachievers@scholarshipamerica.org* to your Contacts or Address Book! Students failing to use a valid email address will not be able to access an application account. Students

who do not regularly check their email for correspondence will not receive consideration.

Interested students can begin the electronic application process by clicking on the [Register as an Applicant](#) link in the *Scholarship Links* menu in the left margin. **You must supply a unique and valid email address and create a password.** When in the application process, you may leave the site prior to submission by clicking on the *Logout* link located at the top of the left margin. To return to the application, you must enter your email and password as provided when registering for the application process.

You may wish to gather the following information that will be necessary for the application:

- A list of your community and school activities, and work experience
- Your transcript of grades (Online transcripts must display student name, school name, grade and credit hours earned for each course, and term in which each course was taken.)
- Your parents/guardians' financial information from their most recently filed tax return or your own financial information if an independent student.

Carefully review your application before submission. You may print your responses from the Review Application page before submitting. All pages must be completed and entered in the format described in order to submit the application. Proper punctuation and standard capitalization (**Jill Smith, 10 Main Street, New York, NY**) must be used when entering data. Answer all questions as completely as possible. Applications are evaluated only on the information supplied on your online application. Once the application is submitted, no further additions or changes can be made. Do **NOT** mail a printed copy or any other materials to Scholarship Management Services.

The application must be submitted electronically by **11:59 p.m. CT, February 29, 2012.**

You, the applicant, are solely responsible for submitting all information necessary during the entire application process. Scholarship Management Services will email acknowledgment of receipt of all submitted applications. Applications found to be incomplete as of the application deadlines will not be processed. All information submitted is considered confidential and is reviewed only by Scholarship Management Services. The General Motors Foundation or General Motors may be using recipient names, photos and other information for promotional purposes.

Notification

THE STEM COALITION	Millions in stem scholarships available Embers of the stem coalition believe that our nation must improve the way students are learning science, mathematics, technology, and engineering, so that the u.s. can remain the economic and technological leader of the 21st century ¹ . The stem coalition has worked to raise awareness around the country, and now hundreds of organizations and institutions are offering scholarships to minority

	<p>students studying stem subjects.</p> <p>Millions of dollars in scholarship money from the federal government are now available for your students. In a depressed economy where scholarships are scarce, this is the jackpot for underrepresented minority students. Preparing for the workkeys test for applied mathematics will help your students build the core stem skills they need to get one step ahead of the competition for these scholarships.</p> <p>Cambridge educational services helps minority and low-income students build essential stem skills with <i>victory for the workkeys® tests</i>, a brand-new textbook including thorough lessons, essential review sections, and comprehensive explanations of workkeys problems—plus it is aligned with the common core!</p> <p>Since the stem subjects are closely aligned with the common core, students will be meeting state standards at the same time that they are preparing for workkeys! To discuss how you can help your students win scholarship money and meet standards at the same time, contact me at (847) 299-2930 ext. 227 or trachtenberg@cambridgeed.com.</p>
